Work Experience

Senior Executive Digital Marketing at Reliance Animation Studios, Pune

Jan 2023 to Present

- As a senior digital marketing executive, my primary responsibility is to develop and implement digital marketing strategies that increase brand awareness, drive website traffic, and generate leads.
- I work closely with other departments, such as sales, creative, and product development, to ensure that our marketing efforts align with overall business goals.
- My day-to-day tasks include conducting market research and competitor analysis, developing and managing marketing campaigns across various digital channels (e.g., email, social media, paid search, display advertising), optimising website content and the user experience, and analysing campaign performance using web analytics tools.
- I am responsible for managing a team of graphic designers and content creators, providing guidance and mentorship to ensure that they are effectively executing our marketing strategies.
- I am also responsible for planning and monitoring the company's ongoing social media presence (Twitter, Facebook, LinkedIn, Instagram, etc.).
- I used to work on launch-optimised online advertisements through Google AdWords, Facebook, and other platforms to raise company and brand awareness.
- I also participate actively in SEO efforts (keywords, image optimisation, etc.).
- I work to analyse the effectiveness of your digital marketing efforts using a variety of web analytics tools (Google Analytics, WebTrends, etc.).

Work Experience

Digital Marketing Manager at MIT Group of Academic & Research Institutions, Aurangabad

May 2022 — Dec 2022

- I was responsible for creating and designing unique content for the organisation's websites and social media platforms to improve presence and brand awareness.
- I also worked with the web development team to optimise the company's website for search engines and improve the user experience.
- For well-directed social media posts used to design a content calendar.
- To measure the effectiveness of our digital marketing efforts, I regularly analysed data from various sources, such as Google Analytics and social media campaigns.
- single-handedly generated 1310 leads through social media campaigns by spending 47,333 rupees.
- I collaborated with the content team to create engaging creatives and videos to promote the company's products and services.
- I was also responsible for designing and implementing digital marketing strategies to achieve agreed-upon organisational goals while staying within budget.

Digital Marketing Executive at Tekolutions.ai

Jun 2021 — May 2022

- I was responsible for developing and maintaining digital marketing strategies to meet agreed-upon company objectives and stay within budget.
- I used to work exclusively on email marketing campaigns and lead generation with LinkedIn Ads and LinkedIn Sales Navigator.
- Executed digital marketing campaigns for the products on all platforms (website, social media).
- Used to take care of the requirements for lead generation and verification for various campaigns and other business objectives.
- Analyze weekly and monthly campaign reports and explore various business objectives. Based on these insights, I made data-driven recommendations to improve our marketing strategies and drive better results.
