Roles

Lead Applicant: Vaibhav Sinha

✓ Managing Director / Founder: Vaibhav Sinha

Other Members and their roles:

- ✓ Co-founder & Head Sales & Channel Development: Hemant Naik
- ✓ Co-founder & Chief Financial Officer: Rushikesh Anekar
- ✓ Co-founder & Head of Procurement & Sourcing: Prashant Kumar Gardoo
- ✓ Co-Founder & COO – Govind Kumar Rai (Non-Migrating Member)

Problem Statement

Demand Side Dynamics

Market Gap

- ✓ Gap between demand (8% annual growth) and supply of organic products.
- ✓ **Lack of subscription-** based services for organic products
- ✓ **Focus on SDGs with responsible business**
- ✓ **Lack of traceability in organic products** from farm to fork – trust of conscious consumer
- ✓ **Consumer Preference:** Among, millennial consumers, 27% reported they are willing to pay more for organics. (Nielsen 2016)

Food from Conventional Agriculture (HTA)

Ecological Impact

- ✓ Disruption of ecosystem services
- ✓ Polluted Natural Resources

Human Impact

- ✓ Compromised immunity
- ✓ Mental health
- ✓ Allergic response

Product Lifecycle Impact

- ✓ Increased Carbon Footprint
- ✓ Pollution from chemical inputs production

Solution / Innovation – Organic & Natural Farming Products

Traceability across the value chain
→ consumer trust

Value chain from farm to fork – free from synthetic fertilizers, pesticides, GMOs.

Subscription based model →
reinforce healthy eating

Sustainable packaging →
biodegradable & recyclable

Giving back to farmers

- **Profit sharing** with growers
- Major procurement directly from from **Farmer Producer Organizations (FPOs) & Famers**

Responsible business → working towards SGD

Incentivizing **return of used packaging** by customers

Our magic

- ✓ **Strong IT Automation team** to grow the business through automated process-driven technology.
- ✓ **Traceability** - Farm to Fork - through proprietary technology.
- ✓ **App-based Subscription** - steady increase in revenue & customer retention
- ✓ Wider and strong reach in the Himalayan region **hotspot for organic** supplies.
- ✓ **Backend linkages** with small producers & farmer producer organizations
- ✓ Working with **range of Organic & natural products**, and a low number of direct competitors.
- ✓ **Sustainability focus** - across the value chain.
- ✓ **Proven business model** in Indian Market.
