DIGITAL MARKETING STARTER PLAN

An entry-level digital marketing package designed for **start-ups** interested in consulting, marketing plan development, campaign planning, analytics and KPI dashboard development, strategy-building and priority projects.

DIGITAL MARKETING BASIC PLAN

The basic digital marketing package designed for **established small businesses** interested in primarily seeking top-of-the-funnel (TOFU) support building website traffic, subscribers and reach.

DIGITAL MARKETING GROWTH PLAN

The Growth package is designed for **small-to-medium** sized companies in need of an outsourced digital marketing team to drive growth. It's also an ideal package to drive additional **top-of-the-funnel (TOFU)** and **middle-of-the-funnel (MOFU)** traffic and improved conversions.

DIGITAL MARKETING ENTERPRISE PLAN

The Enterprise Edition is ideal for businesses seeking aggressive digital marketing and advertising campaigns with fully integrated activities **across the top, middle, and bottom of the funnel** — In addition to running growth hacking campaigns for immediate KPI growth.

Ideal for brands who need an omnichannel campaign from search marketing, social marketing, paid advertising, campaign development, creative, content marketing, analytics, email marketing, community development and others.
